Dr. Rajeev Ranjan
(IFBA Certified Professional)

Designation : Senior Scientist cum Biosafety Officer
Qualification : M.V.Sc., Ph.D., DICVP
Discipline : Veterinary Pathology
e-mail : drrajraj@gmail.com, Rajeev.Ranjan1@icar.org.in

Research area: Understanding Foot and Mouth Disease Viral Ecology in India and Landscape Epidemiology toward Control and Eradication.

National/International Awards/Recognitions Received:

- Awarded with the ***Indian Council for Agricultural Research National Eligibility Test*** (ICAR-NET) in 2008 and 2009 for **Veterinary Pathology** under the stream of Life Sciences.
- Awarded with the ***Indian Council for Agricultural Research Senior Research Fellow*** (ICAR-SRF) first position in 2008- 09 for Veterinary Pathology.
- SK Panda, SK Behera, AP Acharya, **Rajeev Ranjan** and PK Rath (2010). "Studies on cattle mortality in different agroclimatic zones of Orissa. National symposium on *Recent Trend in Diagnosis and Pathology of Emerging and Re-emerging Diseases of Livestock and Poultry in* XXVII Annual Conference of IAVP, College of Veterinary Science, Assam Agricultural University, Khanapara, Guwahati-22, Assam, 25-27 November, 2010. **(Best poster award-2010)**.
- *"Savithree Jibachch Sinha"* awarded to **Ranjan Rajeev**, Biswal J K, Singh K P, Arzt J and Pattnaik B for the ***Best Poster Presentation Award -2015*** on the topic entitled "*Evidence of vertical transmission of foot-and-mouth disease virus from cow to the foetus*" during Veterinary Pathology Congress- 2015 at Department of Veterinary Pathology, NTR College of Veterinary Science, Gannavaram- 521 102, Andhra Pradesh, India, 03- 05 December 2015.
- *"Dr. B.S. Rajya Memorial Award, 2015*" for the **best short/rapid communication** entitled- Isolation and characterization of foot-and-mouth disease virus from a captive Indian elephant (*Elephas maximus*). J.K. Biswal, S. Subramaniam, R. Ranjan, G.K. Sharma and B. Pattnaik. *Indian Journal of Veterinary Pathlogy*, 39 (4): 376-379, 2015.by The Indian Association of Veterinary Pathologists during the Annual conference held at Chhattisgarh Kamdhenu vishwavidhyalaya, Anjora, Durg (CG), 9-11th November, 2016.
- "*ASVP President's Poster Award-2017" to* **Dr. Rajeev Ranjan and Associates** for best poster on the topic entitled "*Foot and Mouth Disease virus ecology in Cattle and Buffalo under natural condition in India*" during International Conference on "*Emerging Horizons in Diagnosis of Animal and Poultry Disease-Towards Sustainable Production in Asia* Countries" under Asian Veterinary Pathology Congress-2017 at Department of Veterinary Pathology, Veterinary College, Hebbal, Bengaluru, Karnataka, India organized by the Asian Society of Veterinary Pathologists, 9-11 November 2017.
- "*IAVP-Best Poster Presentation Award-2017"* to **Drs. Rajeev Ranjan**, J.K. Biswal, S. Subramaniam, K.P. Singh, B. Pattnaik for the Poster entitled "*Foot and Mouth Disease virus ecology in Cattle and Buffalo under natural condition in India*" ICAR-International Centre for Foot and Mouth Disease, Arugul, Bhubaneswar during Asian Veterinary Pathology Conference held at Veterinary College, Hebbal, Bengaluru, Karnataka, India organized by the Asian Society of Veterinary Pathologists, 9-11 November 2017.
- "*Rashtriya Gaurav Award" Certificate of Excellence* presented to **Dr. Rajeev Ranjan** for meritorious services, outstanding performance and remarkable role by Lt. Gen Krishna Mohan Seth (Retd), Former Governor of Chhattisgarh, Madhya Pradesh and Tripura at a seminar on Economic Growth and National Integration organized by India International Friendship Society at New Delhi on 26th March 2018.

- *"Jawaharlal Nehru Award for P.G. Outstanding Doctoral Thesis Research in Agricultural and Allied Science- 2017 for Animal Science"* is presented to **Dr. Rajeev Ranjan,** Scientist, Bio-Safety Officer, ICAR-International Centre for Foot and Mouth Disease (a constituent laboratory of ICAR-Directorate of Foot and Mouth Disease, IVRI Campus, Mukteshwar, Uttarakhand-263138, India), Arugul, Bhubaneswar-752050, Khordha Odisha by Shri Radha Mohan Singh, Union Agriculture and Farmers Welfare Minister on 16th July 2018 at New Delhi.
- **"*IFBA Certified Professional*"-** Professional Certification in Biorisk Management (IFBA Certified Professional, ID Number: NBU344843) provided by "***International Federation of Biosafety Associations (IFBA), 102-2460 Lancaster Road Ottawa, Ontario, Canada, K1B 4S5***" on June 24, 2019.
- **"*IFBA Certified Professional*"-** Professional Certification in Biosafety Cabinets (IFBA Certified Professional, ID Number: NBU344843) provided by "***International Federation of Biosafety Associations (IFBA), 102-2460 Lancaster Road Ottawa, Ontario, Canada, K1B 4S5***" on July 11, 2019.
- **"*ICVP Certified Diplomate*"**- ICVP Board Certification Examination organized by Indian College of Veterinary Pathologist, November 6, 2019.
- **"*IFBA Certified Professional*"-** Professional Certification in Biological Waste Management (IFBA Certified Professional, ID Number: NBU344843) provided by "***International Federation of Biosafety Associations (IFBA), 102-2460 Lancaster Road Ottawa, Ontario, Canada, K1B 4S5***" on October 23, 2019.
- "*IAVMICON-2020-Best Oral Presentation Award-2017"* to **Drs.** J.K. Biswal, S. Subramaniam, **Rajeev Ranjan**, B. Pattnaik for the Oral Presentation on topic entitled "*Genetic basis of the antigenic variation of Foot-and-Mouth Disease virus during virus persistence in naturally infected cattle and buffalo*" during XXXIII Annual Convention of Indian Association of Veterinary Microbiologist Immunologists and Specialists in infectious diseases and National conference on "Challenges and threats of microbes to animals and humans" organized by ICAR-Indian Veterinary Research Institute, Izatnagar-243122, Bareilly, UP during February 6-7, 2020. Pp..104**.**
- Ram Singh Memorial National Animal Welfare Award 2020 cited as **"*National Excellence Award"*** awarded to Dr Rajeev Ranjan, Scientist cum Biosafety Officer, ICAR-Directorate of Foot and Mouth Disease, in recognition of significance contribution for Prevention of Cruelty to Animal and Enhancement of Animal Welfare by Pashudhan Praharee. *RNI No.: JHAHIN/2012/46453. ISSN:2319-6971 (PRINT).*
- ***"Research Excellence Award 2021"*** for the work entitled ***"Foot and Mouth Disease Virus Associated Abortion and Vertical Transmission following Acute Infection in Cattle under natural conditions"*** by **Institute of Scholars.**
- NABL Assessor, Laboratory Assessors Course as per ISO/IEC 17025:2017
- Pashudhan Samriddhi "India Award 2022" under award category "Research area: Understanding of FMD virus ecology" dated on 15.08.2022. **Certificate No**.: PSIA41/22 Date:15.08.2022
- Best article certificate of the issue" for Choudhary GK, Singh SP, Singh M, Kumar A, Ranjan R. (2022). Immunomodulatory Efficacy of *Hedychium Spicatum* Rhizome Powder in Long Term Indoxacarb Intoxicated White Leghorn (WLH) Cockerels. *Acta Scientific Veterinary Sciences.* 4.9 (2022): 129-142.
- IAVP-Best Farm Animals Pathologist Award, 2024 by the Indian Association of Veterinary Pathologists.
- Dr Nagendra Sharma Award of Excellence in Veterinary Science & Livestock Research for Best Popular Article writing competition held on the occasion of 26th April 2025, World Veterinary Day. Certificate No.: NSA09/25 Date 26.04.2025

National/International conferences/seminars/symposiums/training /workshop attended:

- Attended more than 100 national and international conferences/seminars/ symposium/ training/ workshops.

Training Organized/provided:

1. Continue Veterinary Education on Postmortem Examination and Veterolegal cases, at Department of Veterinary Pathology, Orissa Veterinary College, OUAT, Bhubaneswar-751003.
2. Conducted 3 days training program on (a.) Diagnosis of foot and mouth disease virus by typing ELISA and (b.) Diagnosis of non-structural protein against foot and mouth disease virus by diva ELISA between 19-21 December, 2016, at ICAR- Directorate of foot and mouth disease, ukteshwar-263138, Nainital, Uttarakhand, for AICRP on FMD Rishikesh, Uttarakhand.
3. Organized "Online FMD investigation training course for India (FITC1), with the help of

European commission for the control of foot-and-mouth disease, Food and Agriculture Organization of the United Nations and the Directorate for foot-and-mouth disease, Indian council for agricultural research during 10th January 2019 to 14th February 2019.

4. Conducted 3 days 'General Biosafety and Biosecurity' in-house training for the personnel working at ICFMD laboratory to meet the requirement of IBSC and Biosafety guideline at ICFMD, 15th, 17th and 20th February, 2021.
5. Capacity Building for Oropharyngeal fluid (OPF) collection to the Veterinary Officer of State of Telangana, November 24-25, 2021.
6. Capacity Building for Oropharyngeal fluid (OPF) collection to the Veterinary Officer of State of MP, and WCT December 16-20, 2021
7. As National Master Trainer, given hands on training to veterinary officer selected for national capacity building program on probang/ oropharyngeal (OPF) collection, its dispatch to testing laboratory and follow-up of NSP reactor during 07th June to 24th September, 2023 at Bhopal, Pune, Bengaluru, Hisar, Cuttack and Guwahati.
8. Organized 10 days online national training program on "Advances in survey research and data analysis using open-source software" as Course Co-coordinator during 15-24th September 2025 at ICAR-National Institute on Foot and Mouth Disease, Bhubaneswar-752050, Odisha, India.
9. Organized 'One Day the Rashtriya Karmayogi Jan Seva Program' on 30th January, 2026 at ICAR-National Institute on Foot and Mouth Disease, Arugul, Bhubaneswar-752050, Odisha.

Resource Person:

1. Workshop on "***foot and mouth disease in dairy animals***" at national dairy research institute, Karnal (HR)- 132001, 15- 16 December 2011 as foot and mouth disease expert.
2. "*Foot and mouth disease: Management and control with special emphasis on biosecurity measures*" – on 12.12.2013 at Patna, during interactive session on FMD outbreak and its future control.
3. Foot and Mouth Disease: prevention and control- on **28th November 2013** and **25th February 2014** at IVRI campus Mukteshwar.
4. **Delivered a talk on "**Conventional and new approach for diagnosis of foot and mouth disease virus" during 33rd Annual Conference of Indian Association of Veterinary Pathologists & 7th Annual Meeting of Indian College of Veterinary Pathologists and National symposium on "Innovative Approaches for Diagnosis and Control of Emerging and Re-emerging Diseases of Livestock, Poultry and Fish" at Department of Veterinary Pathology, college of Veterinary Science & AH, Chhattisgarh Kamdhenu Vishwavidyalaya, Anjora, Durg-491001, Chhattisgarh, India, November 9-11, 2016. Pp-109-113.
5. **Delivered a talk on "**Persistence of foot-and-mouth disease virus in cattle and buffalo" during National Seminar on "Opportunities and Challenges of Transnational Research in the Frontier Areas of Animal Biotechnology", from 22- 23 September 2017 at C.V.Sc. & A.H., OUAT, Bhubaneswar, Odisha. Pp.- 62-65.
6. As expert, for workshop on **"Brain Storming Workshop on Foot and Mouth Disease**", in order to crystallize scientific and developmental possibilities at ICAR-Central Institute for Research on Buffaloes, Hisar 125 001, Haryana, INDIA during September 14-15, 2018.
7. **Delivered a talk on "**Foot-and-Mouth Disease Virus: Subclinical infection in cattle and buffalo" during National Symposium on "Recent Advances in Veterinary Pathology and Disease Diagnosis for Sustainable Livestock and Poultry Production" at Department of Veterinary Pathology, College of Veterinary Science and Animal Husbandry, Sardarkrushinagar Dantiwada AU, Sardarkrushinagar- 385 506, District: Banaskantha,

Gujarat, India from October 22-24, 2018. Pp.- 171-173.

8. Invited lecture on "Combating FMD: A nemesis of dairy animal" during **47th Dairy Industry Conference 2019** on "Innovative Approaches for Enhancing Dairy Farmers income" organized by Indian Dairy Association, New Delhi in Collaboration with IDA (EZ), Kolkata & IDA, Bihar State Chapter, held at Samrat Ashoka International Convention Kendra, Gandhi Maidan, Patna during 7-9th February 2019.
9. Deliver an e-lecture under NAHEP_IG Project on August 07, 2020 at 3.30 PM by Zoom Cloud Platform on the topic entitled ***"Subclinical Infection of Foot and Mouth Disease in Cattle and Buffalo"*** organized by Director Research, Office of the Director Research, Bihar Animal Sciences University, BVC campus, Patna-800014, Bihar. Invitation No.: 05/NAHEP/BASU/2020/1437 dated 27.07.2020.
10. Provided 'General Biosafety and Biosecurity' in-house training for the personnel working at ICFMD laboratory to meet the requirement of IBSC and biosafety guideline at ICFMD, 15th, 17th and 20th February, 2021.
11. Expert lecture given on "Persistence of FMD virus and Oropharyngeal fluid (OPF) sampling "during four days training program on "Refresher training on detection and serology of foot and mouth disease virus" through virtual mode held from 26th to 29th October 2021 organised by Directorate of Foot and Mouth Disease, Mukteshwar.
12. Lecture given on Oropharyngeal fluid and its dispatch to laboratory through virtual mode on 29th November 2021.
13. Invited lecture on "Persistence of FMD virus" on 24.06.2022 at College of Veterinary Science & Animal Husbandry, BAU, Ranchi, Jharkhand.
14. Given Expert Lecture on "Animal Biosafety Levels and Best Practices to be followed" on 25.05.2023 at NCARE, SBS, NISER, Bhubaneswar, Odisha.
15. Given Expert Lecture on Collection, storage, transport of oropharyngeal fluid and strategy of probang sampling for foot and mouth disease surveillance on 2nd June 2023.
16. Given expert lecture on "Management of Foot and Mouth Disease Outbreak and sample collection, packaging and its dispatch" to the Jharkhand state Veterinary Officer during 1-2nd November, 2023 at Directorate of Animal Husbandry, Hesag, Ranchi, Jharkhand.
17. Given expert talk on "Overview of biosafety and biosecurity practices at Biosafety Laboratory" during National Workshop on BSL-3 Practices & Molecular Virology Procedures (NWBMV-2023) at DBT-Institute of Life Sciences, Bhubaneswar, Odisha on 30th November, 2023.
18. Delivered an expert lecture on "Advances in diagnosis of animal diseases" on 03.02.2024 during a training program on 'Molecular Techniques for Fish Disease Diagnosis' from 29.01.2024 to 09.02.2024 at ICAR-Central Institute of Freshwater Aquaculture, Bhubaneswar-7510023, Odisha.
19. Delivered a lecture on "Challenges in FMD Control in North east India". The workshop was organized by ICAR–National Research Centre on Mithun in collaboration with the National Academy of Agricultural Sciences (NAAS), Regional Chapter, Barapani; ICAR–Research Complex for NEH Region, Barapani, Umiam; and ICAR–Indian Veterinary Research Institute, Regional Station, Bangalore, on 23rd March 2026.
20. Delivered an expert lecture on "Foot and mouth virus with special reference to zoonotic importance, transmission, pathogen evolution and one health significance" in the National Symposium on One Health – Bridging Ecosystems and Human Health during 11–12

September 2026 at BRICS-ILS, Bhubaneswar

Position/ Offices held in various positions:

1. Act as reviewers for more than 50 national and international peered reviewed journals.
2. Act as a **Rapporteur** for presenting a paper in the National Symposium on "Challenges and Advances in Disease Diagnosis of Livestock, Poultry and Fish: Redefining the role of Veterinary Pathologists" organized by Indian Association of Veterinary Pathologists and Indian College of Veterinary Pathologists at Department of Veterinary Pathology, NTR College of Veterinary Science, Gannavaram- 521 102, Andhra Pradesh, India, 03- 05 December 2015.
3. Act as a **Rapporteur** for "Technical Session-X: Wildlife Pathology and Aquatic Pathology" during International Conference on "*Emerging Horizons in Diagnosis of Animal and Poultry Disease-Towards Sustainable Production in Asia* Countries" under Asian Veterinary Pathology Congress-2017 at Department of Veterinary Pathology, Veterinary College, Hebbal, Bengaluru, Karnataka, India organized by the Asian Society of Veterinary Pathologists and Indian Association of Veterinary Pathologist, 9-11 November 2017.
4. Act as a **Co-Chairman** for "Technical Session-VIII: Pet and Companion animal pathology" during National Symposium on "Recent Advances in Veterinary Pathology and Disease Diagnosis for Sustainable Livestock and Poultry Production" at Department of Veterinary Pathology, College of Veterinary Science and Animal Husbandry, Sardarkrushinagar Dantiwada AU, Sardarkrushinagar- 385 506, District: Banaskantha, Gujarat, India organized by the Indian Association of Veterinary Pathologist and Indian College of Veterinary Pathologist, 22-24 October, 2018.
5. **Act as Convener** in ICFMD functioning and monitoring committee (IFMC) constituted by ICAR
6. **Act as a Member Secretary for** Institutional Animal Ethics Committee of ICAR-International Centre for Foot and Mouth Disease, Arugul, Jatni-752050, Khurda, Odisha. Organized IAEC committee meeting at regular interval for smooth functioning of IAEC to conduct the experiment on animal as per the guideline of CPCSEA at ICAR-ICFMD premises.
7. **Act as Member Secretary for** Institutional Biosafety Committee (IBSC) by DBT for ICAR-Directorate of Foot and Mouth Disease, Mukteshwar vide OM- BT/BS/17/781/2018-PID dated 08.01.2019. Organized IBSC meeting at regular interval for smooth functioning of IBSC to carry out research involving genetically modified organisms (GMOS)/ living modified organisms (LMOS) for development of rDNA products for healthcare and industrial use at ICAR-DFMD.
8. **Act as DBT Nominee for IBSC of RMRC, Bhubaneswar,** Odisha since 11th November, 2020.
9. **"*IFBA Certified Professional*"-** Professional Certification in Biorisk Management, Biosafety Cabinets and Biological Waste Management (IFBA Certified Professional, ID Number: NBU344843) provided by "***International Federation of Biosafety Associations (IFBA), 102-2460 Lancaster Road Ottawa, Ontario, Canada, K1B 4S5***".
10. Act as **Biosecurity Expert in BSL3 construction committee for ICMR-RMRC**, Bhubaneswar, Since February, 2022.
11. Act as a **Rapporteur** for "Technical Session-III: Farm animal, lab animal, wild animal pathology and veterinary forensic pathology" during International Veterinary Pathology Congress-2022 on "*Global Challenges in Rapid Diagnosis and Management of Animal and*

Poultry Disease for Improved Health and Productivity" at Department of Veterinary Pathology, College of Veterinary Science, Rajendranagar, P.V. Narsimha Rao Telangana Veterinary University, Hyderabad, India organized by the Indian Association of Veterinary Pathologist and Indian College of Veterinary Pathologist, 17-19 November 2022.

12. Act as a **Rapporteur** for the session: Laboratory, Wild Animals and Forensic Pathology in Veterinary Pathology Congress-2023 on "Advances in Veterinary Pathology for Diagnosis and Control of Emerging Disease of Livestock and Poultry" held on 20-22 December 2023 Organised by Indian Association of Veterinary Pathologists, ICVP and IVRI, Izatnagar, Bareilly-243122, UP
13. Act as a **Rapporteur** for the technical session-IV in 42nd Annual conference (IAVPCON-2025) on "Bridging conventional and artificial intelligence based digital pathology for maximum outreach-A futuristic approach to veterinary disease diagnosis" scheduled to be held on 04-06 December 2025 Organized by Ranchi College of Veterinary Science & Animal Husbandry, BAU, Kanke, Ranchi- , Jharkhand, India

Membership in Scientific Societies:

1. Bihar State Veterinary Council (BSVC).
2. Indian Association of Veterinary Pathologist (IAVP)- IAVP/R-72/2007 dated 10/08/2007.
3. Indian Veterinary Journal (IVJ) – 3611.
4. Veterinary Council of India (VCI)- Reg. No.- 2503 dated 02/11/2004
5. Indian Journal of Animal Sciences- Sub Id- S013102.
6. Life member of Laboratory Animal Science Association of India (LASAI)- ID 628.
7. Life member of Dr. C.M. Singh Endowment Trust- No. 63 LM/2012
8. Life Member of Society for Biosafety, India, Serial No.-SBS/295-2019 dated 18/01/2019.
9. Life member of Institute of Scholars (InSc)- InSc20210264
10. Life member of National Academy of Veterinary Sciences (I) [NAVS-I]-NAVS/2024/M/03
