Additional Terms & Conditions (ATCs)

Clause 1: Prohibition of Financial Disclosure in Technical Bid (Two-Packet System)

In case of two-packet bidding systems (separate technical and financial bids), it is strictly prohibited to mention or indicate any financial value, pricing detail, or commercial term in the technical bid documents. Any such disclosure—intentional or otherwise—shall render the concerned bid liable for immediate rejection for that particular schedule or the entire bidding process, as applicable. This clause is non-negotiable and is aimed at preserving the sanctity and impartiality of the technical evaluation process.

Clause 2: Abnormally Low Quoted Amounts and Disqualification

To uphold the principles of fair competition and to prevent any attempt to secure L1 status through non-bonafide practices, it is hereby stipulated that:

- If any item within a schedule is quoted at an abnormally low price (e.g., ₹1 or any other value significantly below reasonable market rates), the respective evaluation committee shall have the discretion to examine the quotation for its reasonableness.
- In such cases, a one-time opportunity for justification shall be provided to the concerned bidder(s) through the GeM portal. The bidder must furnish a valid and satisfactory explanation or cost breakup justifying the quoted price within the specified timeline.
- Failure to submit such justification, the inability to provide at that price, or submission of an inadequate/unsatisfactory justification may result in the rejection of the quoted item(s) and disqualification of the bid for that particular schedule or the entire tender, as deemed appropriate by the Competent Authority.

The decision of the Evaluation Committee/Competent Authority in this regard shall be final and binding, and no further correspondence shall be entertained.

Clause 3: Rejection of Bids in Case of Identical IP Address

In order to ensure transparency and fairness in the bidding process, it is hereby stipulated that if two or more bids are found to have been submitted from the same IP address, such bids shall be treated as non-compliant and shall be summarily rejected without any further consideration.

As per CAG, "Placing of more than one bid for the same tender from the same IP address more often than not shows that the same computer was used to place the bids and is an indicator for collusion among bidders."

This provision is aimed at preventing collusive bidding or any attempt to manipulate the procurement process. The decision of the Competent Authority in this regard shall be final and binding.

Clause 4: Insurance Requirement

The Service Provider shall procure and maintain valid transport/cargo insurance covering risks including loss, damage, delay, temperature deviation, and mishandling. The total amount for the consignment is decided to be Rs.50,00,000/- **A copy of the insurance certificate must be submitted to the consignor prior to pickup.** Failure to do so shall constitute a breach of contract and render the consignment ineligible for dispatch.

Failure to submit such compliance documentation in the prescribed format may render the bid liable for rejection at the technical evaluation stage itself.
