Additional Terms and Conditions

Clause 1: Prohibition of Financial Disclosure in Technical Bid (Two-Packet System)

In case of two-packet bidding systems (separate technical and financial bids), it is strictly prohibited to mention or indicate any financial value, pricing detail, or commercial term in the technical bid documents.

Any such disclosure—intentional or otherwise—shall render the concerned bid liable for immediate rejection for that particular schedule or the entire bidding process, as applicable.

This clause is non-negotiable and is aimed at preserving the sanctity and impartiality of the technical evaluation process.

Clause 2: Abnormally Low Quoted Amounts and Disqualification

To uphold the principles of fair competition and to prevent any attempt to secure L1 status through non-bonafide practices, it is hereby stipulated that:

If any item within a schedule is quoted at an abnormally low price (e.g., ₹1 or any other value significantly below reasonable market rates), the respective evaluation committee shall have the discretion to examine the quotation for its reasonableness.

In such cases, **a one-time opportunity** for justification shall be provided to the concerned bidder(s) through the GeM portal. The bidder must furnish a valid and satisfactory explanation or cost breakup justifying the quoted price within the specified timeline.

Failure to submit such justification, the inability to provide at that price or submission of an inadequate/unsatisfactory justification, may result in the rejection of the quoted item(s) and **disqualification of the bid for that particular schedule or the entire tender**, as deemed appropriate by the Competent Authority.

The decision of the Evaluation Committee/Competent Authority in this regard shall be final and binding, and no further correspondence shall be entertained.

Clause 3: Submission of Compliance Sheets for Multiple Schedules

In tenders containing multiple schedules, it is mandatory for all participating bidders to submit separate and schedule-specific compliance sheets clearly indicating their adherence to the specifications of each item listed under the respective schedule.

Failure to submit itemized and schedule-wise compliance documentation may result in rejection of the bid for that particular schedule or the entire tender, as deemed appropriate by the Evaluation Committee.

Note: Kindly provide the compliance according to our uploaded Spec file in the ATC document.

Clause 4: Submission of OEM Authorization / Undertaking for Specified Make Items

In view of the critical nature of research and diagnostic activities undertaken at ICAR-NIFMD, it is imperative that only genuine and authenticated products are procured, particularly in the case of chemicals, reagents, primers, plasticwares, and other consumables where specific makes are explicitly mentioned in the item specifications.

Accordingly, it is hereby stipulated that:

In cases where a specific make/manufacturer is mentioned in the product specification, the bidder must submit:

- A valid Authorization Letter from the Original Equipment Manufacturer (OEM) certifying that the bidder is an authorized vendor/distributor for the said make,

OR

- A duly signed Undertaking by the bidder confirming that the quoted product is of the specified make and is being sourced directly from the OEM or its authorized supply chain, and that the bidder shall be held fully accountable for the authenticity, quality, and warranty support of the product.

Failure to provide either of the above documents at the time of bid submission may render the bidder liable for rejection during the Technical Evaluation stage.

The Procuring Entity reserves the right to verify the submitted documents with the OEM and take necessary action in case of any discrepancy.

This condition is non-negotiable in the interest of maintaining the integrity, safety, and scientific validity of operations conducted at the Institute's BSL facilities.

Clause 5: Rejection of Bids in Case of Identical IP Address

In order to ensure transparency and fairness in the bidding process, it is hereby stipulated that if two or more bids are found to have been submitted from the same IP address, such bids shall be treated as non-compliant and shall be summarily rejected without any further consideration.

As per CAG "Placing of more than one bid for the same tender from the same IP address more often than not shows that the same computer was used to place the bids and is an indicator for collusion among bidders"

This provision is aimed at preventing collusive bidding or any attempt to manipulate the procurement process. The decision of the Competent Authority in this regard shall be final and binding.
