To uphold the principles of fair competition and to prevent any attempt to secure L1 status through non-bonafide practices, it is hereby stipulated that:

- If any item within a schedule is quoted at an abnormally low price (e.g., ₹1 or any other value significantly below reasonable market rates), the respective evaluation committee shall have the discretion to examine the quotation for its reasonableness.
- In such cases, a one-time opportunity for justification shall be provided to the concerned bidder(s) through the GeM portal. The bidder must furnish a valid and satisfactory explanation or cost breakup justifying the quoted price within the specified timeline.
- Failure to submit such justification, the inability to provide at that price, or submission of an inadequate/unsatisfactory justification may result in the rejection of the quoted item(s) and disqualification of the bid for that partic

ular schedule or the entire tender, as deemed appropriate by the Competent Authority.

The decision of the Evaluation Committee/Competent Authority in this regard shall be final and binding, and no further correspondence shall be entertained.

In order to ensure transparency and fairness in the bidding process, it is hereby stipulated that if two or more bids are found to have been submitted from the same IP address, such bids shall be treated as non-compliant and shall be summarily rejected without any further consideration.

As per CAG, "Placing of more than one bid for the same tender from the same IP address more often than not shows that the same computer was used to place the bids and is an indicator for collusion among bidders."

This provision is aimed at preventing collusive bidding or any attempt to manipulate the procurement process. The decision of the Competent Authority in this regard shall be final and binding.
